

WARM-UP EXERCISES

For use before Lesson 8.1, pages 457–464

Simplify each fraction.

1. $\frac{12}{15}$

2. $\frac{14}{56}$

3. $\frac{21}{6}$

4. $\frac{90}{450}$

.....

DAILY HOMEWORK QUIZ

For use after Lesson 7.6, pages 437–444

Describe the transformations that will map the frieze pattern onto itself.

1. $\alpha/\alpha/\alpha/\alpha/\alpha/\alpha/\alpha/\alpha$

2. $\supset\subset\supset\subset\supset\subset\supset\subset\supset\subset\supset\subset$

3. Use the design below to create a frieze pattern with the classification THG.
